

Land Management Committee 10<sup>th</sup> Feb 2022

### Allotment Report

There have been a number of leavers, and more new applicants, together with a number of re-arrangements with some plot holders asking for larger plots. 2 raised beds have recently been vacated, so we will issue an announcement in the next village Noticeboard.

We have allowed a small plot to be used by an artist (from the boatyard), who will sculpture within the shed, with the proviso that some fruit/ vegetables will also be grown.

The water supply will be turned on again on 1<sup>st</sup> April.

The concern over the rat problems has been resolved, thanks to the parish council, and Medway Norse will be attending to the issue over the next 12 months.

There are 7 people on the waiting list.

We would like to express our thanks to our outgoing assistant clerk, for her help in making the registration system work more effectively.

Ian Gray

### Cuxton Countryside Group

We have been active over the last few months, helping with the memorial bench area, widening the Church Hill path (near the horses), clearing the steep path to the "Victoria Bridge" area, have liaised with the 6-Acre Wood management team, clearing the Upper Bush-Bush to Dean Valley paths and initiating some hazel coppicing within the Millennium Wood.

We also held an live AGM in the Church Hall, so we could celebrate our 26<sup>th</sup> year of existence with an historical Power Point presentation with many photos of new and old-timers!!

We received a £4071 cheque from the Co-op store, which will be used to replace some stiles with kissing gates and adding extra seats at various vantage points
